#### **ABOUT THE RLTSF**

The Ryan Lawrence Tourette Syndrome Foundation (RLTSF) is a Canadian charitable organization established in memory of Ryan Lawrence.

Our mission is to improve the lives of individuals and families affected by Tourette Syndrome through:

- Public education and awareness
- Research funding
- Advocacy and stigma reduction
- Community support
- Scholarships and youth initiatives

The Foundation is proud to work alongside organizations around the world to promote understanding, acceptance, and support for people living with Tourette Syndrome.

### **TOGETHER WE ARE STRONGER**

Tourette Syndrome affects millions of people around the world. While languages, cultures, and healthcare systems may differ, our goals remain the same:

- Raise awareness
- Improve understanding
- Support individuals and families
- Advance research
- Reduce stigma
- Build inclusive communities

Together, we are creating a world where every person living with Tourette Syndrome can thrive.
