

1ST ANNUAL
Ryan Lawrence
Classic

GOLF TOURNAMENT

September 30th
Granite Ridge Golf Course Milton, Ontario

Welcome to the 1st annual Ryan Lawrence Classic

Thank you to the great hosts at Granite Ridge. From the Lawrence & Marks families and all the organizers, we would like to thank everyone that embraced the opportunity and supported our event.

We know Ryan is very happy to have such an event in his name but more importantly, to help others who may be afflicted by Tourette's. Ryan's journey was extremely difficult, especially during Covid, and we salute him for his strength, his love, and courage to battle through this disorder.

If you have a loved one or know of someone who may have Tourette's, please encourage them to reach out for help. As time goes by, research reveals more answers, treatments change and many more Tourette's patients are helped. with your help, we can make a difference.

Dinner & Presentation from
Stuart Ellis-Myers ~ 6:00 pm

Stuart Myers is the world's only funny, inspirational, motivational keynote speaker who loves to 'positively traumatize™' audiences. On 863+ conference stages located across North America, Australia and Europe, delegates enjoy fits of laughter while learning how to become Unstoppable and turn mental health into mental wealth.

Stuart has over 50 years of lived experience with anxiety, depression and OCD-driven Bipolar panic attacks. Stuart is living proof that anyone who overcomes overwhelming circumstance tend to develop extraordinary approaches to everyday challenges, often achieving extraordinary results.

Stuart loves to breakthrough mental health stigma to reveal immediately usable, professional and personal life saving lessons—offering real, usable insights to overcome the many challenges of today's globally-hectic world. So get ready to take a deep dive into the life of a man held captive, but not broken by his mental health condition, who found the strength and determination to break free by performing his life-saving Unstoppable message to **live your best life**.

Stuart knows all too well the hardships of personal health challenges that altered the course of his life at an early age. By eight years old, Stuart began to develop one of the most misunderstood neurological disorders of our time—Tourette Syndrome.

Living with Tourettes is a daily challenge of anxiousness, depression, and uncontrollable twitching. Faced with a lifetime of disability, Stuart made a powerful choice to direct his life toward a **joyful and Unstoppable life**—dedicating his life's purpose to helping countless others overcome their own challenges and fears.
